Description

Connected Switchgear offers a variety of batten holders to suit most applications. Available in both standard and wide base versions, with or without clip on covers to cover mounting screws. Cord grip lamp holders are designed to accommodate up to 10mm material cord. All batten and lamp holders are made from virgin polycarbonate material and PT and are available in both white and black. Ceiling roses are also available.

Features

- Barrel made from PT to prevent heat distortion
- Colour matched metal bases
- BC configuration
- Clip on cover to hide screw mounting holes
- Cord grip
- Safety skirt
- BHF: 2.5mm² 2 core cable only

Barrel made from PT

Rear Fix
